HEALTH SERVICES

Five Spot by FHHS

2021 | ANNUAL REPORT

Five Horizons Health Services

OUR MISSION

To promote a healthy, compassionate, and educated community through medical care, prevention education, supportive services, advocacy, and research.

HISTORY

Founded as West Alabama AIDS Outreach (WAOO) in 1988, Five Horizons Health Services is a community service organization incorporated under the laws of the State of Alabama as a not-for-profit corporation.

OUR IMPACT IN 2021

359 PrEP Patients

65 HIV Clients

278 Case Management Clients

Average of > 98% Viral Suppression

104 Events/Education Sessions

3,036 Individuals Reached

A MESSAGE FROM THE CEO

This past year has been an exceptionally active and productive one at Five Horizons. Staff have utilized sophisticated print and marketing campaigns to disseminate information about the agency's services, opened a safe space in the heart of Tuscaloosa's West End, and have continued to develop new services in East Mississippi.

Over the year, staff have provided STI testing and treatment to several hundred patients, PrEP (pre-exposure prophylaxis) to more than 375 individuals at high risk of contracting HIV, and HIV-related case management to 275. Extensive outreach efforts have continued at The University of Alabama and Stillman College, with peers acting as trusted messengers to encourage participation. Provision of advocacy and research continues in earnest as well. For more details, please visit www.fivehorizons.org.

With an amazing staff, dedicated board of directors, and an incredibly supportive community, Five Horizons is poised to continue making great strides in 2022. We are extremely appreciative of the opportunity to provide such vital services to multiple populations in need.

ALL THE BEST,

BILLY KIRKPATRICK, PH.D.
