FIVE HORIZONS
HEALTH SERVICES

2022 | ANNUAL REPORT

Five Horizons Health Services

OUR MISSION

To promote a healthy, compassionate, and educated community through medical care, prevention education, supportive services, advocacy, and research.

HISTORY

Founded as West Alabama AIDS Outreach (WAAO) in 1988, Five Horizons Health Services is a community service organization incorporated under the laws of the State of Alabama as a not-for-profit corporation.

OUR IMPACT IN 2022

401 PrEP Patients

83 HIV Clients

280 Case Management Clients

Average of > 98% Viral Suppression

120 Events/Education Sessions

5,420 Individuals Reached

A MESSAGE FROM THE CEO

This past year has been an exceptionally active and productive one at Five Horizons. Staff have utilized sophisticated print and marketing campaigns to disseminate information about the agency's services, promoted new programming at our safe space, Five Spot, welcomed the addition of locations in Montgomery, Dothan, and Selma, and have continued to develop new services in East Mississippi.

Over the year, staff have provided STI testing and treatment to several hundred patients, PrEP (pre-exposure prophylaxis) to more than 400 individuals at high risk of contracting HIV, and HIV-related case management to 280. Extensive outreach efforts have continued at The University of Alabama, Stillman College, and Mississippi State University, with peers acting as trusted messengers to encourage participation. Provision of advocacy and research continues in earnest as well. For more details, please visit www.fivehorizons.org.

With an amazing staff, dedicated board of directors, and an incredibly supportive community, Five Horizons is poised to continue making great strides in 2023. We are extremely appreciative of the opportunity to provide such vital services to multiple populations in need.

ALL THE BEST,

BILLY KIRKPATRICK, PH.D.

Supportive Services

HIV-related Case Management, including Transportation & Housing Services

Research

Academic Partnerships for the Development of Innovative Treatment & Prevention Programs

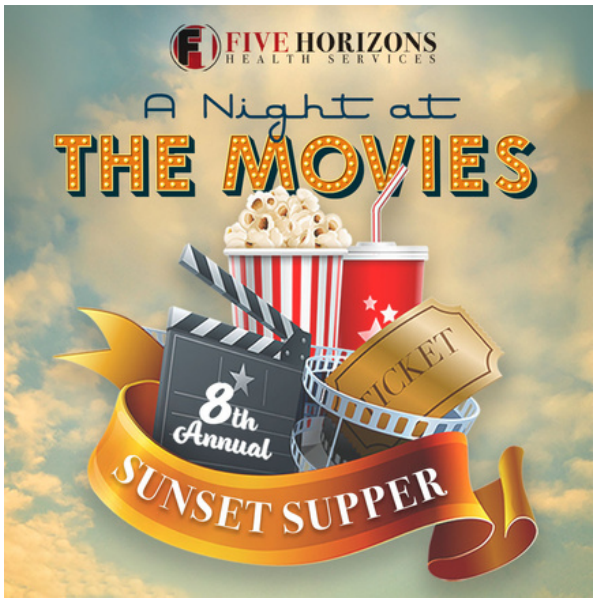

Advocacy

HIV-related Legislative Activities on National, State, and Local Levels
Stigma Reduction Activities

Sunset Supper on the River

On May 19, 2022, FHHS held it's 8th Annual Sunset Supper on the River at the Tuscaloosa River Market, There were over 300 individuals in attendance to hear Brandon 'Andy Feds' Cox Sanford share his personal story of living with HIV. The evening featured a silent auction and raffle.

Community Night on the Rooftop

On June 27, 2022, FHHS hosted a Community Night at The Lookout Rooftop Bar at Hotel Indigo. This event was in honor of National HIV Testing Day. The evening featured live music, food, a photobooth, and fellowship. A portion of the proceeds from the bar were donated back to FHHS.

FHHS' New Locations

In December 2022, FHHS' Annex relocated across the street to 2715 7th Street. This location houses the following departments: Finance, Case Management, Prevention and Outreach, and Development.

In July 2022, our Starkville location moved to its new location. This location is known as the Starkville Care Consortium - an innovative community hub which combines diverse and complementary in-house healthcare partners providing holistic services in a centralized space.

FHHS EXPANSION

In November 2022, FHHS began providing services for the AIDS Service Organization located in Montgomery, AL. FHHS now serves 53 counties across Alabama and Mississippi with locations in five different cities: Tuscaloosa, AL, Montgomery, AL, Dothan, AL, Selma, AL, and Starkville, MS.

This expansion will allow us to serve a greater number of individuals and make a significant impact on the health of individuals living in Alabama and Mississippi. We anticipate a significant increase in services in 2023 as we begin the year as one system.

PREVENTION & OUTREACH

2022 Program Spotlight

The Prevention & Outreach team at FHHS has had an exceptionally busy year. They held 120 events that reached over 5,400 people. Events included collaborations with The University of Alabama, Stillman College, and Mississippi State University. These events promoted comprehensive STD/HIV testing and prevention education.

Additionally, the team was hard at work developing a curriculum for our New Heights programming, which will provide sexual health education to K-12 students in partnership with the Tuscaloosa City School System.
