2025 ANNUAL REPORT

Expanding Access, Empowering Communities, Transforming Health

This year, Five Horizons Health Services continues to make a meaningful impact by expanding access to compassionate healthcare, strengthening community outreach efforts, and advancing education and support for individuals affected by HIV/AIDS and other health disparities. Together, we are creating healthier, more empowered communities.

FIVE HORIZONS HEALTH SERVICES

A MESSAGE FROM OUR CEO

As 2025 comes to a close, I am honored to reflect on the continued growth and impact of Five Horizons over the past year. Our team has expanded services across a wider region, reaching more people in need than ever before.

In our Northern Region, FHHS opened two new locations in Mississippi: Meridian and Oxford, expanding access to critical services. In the Southern Region, we relocated our Dothan medical clinic into a newly renovated space, creating a more welcoming and accessible environment. System-wide, we launched a fully equipped mobile clinic to enhance rural outreach and bring care directly to underserved communities. We also expanded our campus ambassador and peer mentor programs, increasing engagement with college students across our service area.

Our PrEP efforts remain strong, with 1,180 patients receiving PrEP across seven locations. This intiative is helping to prevent new cases of HIV in Alabama and East Mississippi. Additionally, we provide case management services to 1,989 individuals living with HIV, offering support such as housing assistance, transportation, financial aid, counseling, and food vouchers.

These outcomes are driven by a balance of innovative marketing, community outreach, and targeted prevention efforts. Each year, we engage more than 26,000 individuals and conduct nearly 3,000 HIV tests. As we look ahead, we remain committed to expanding access, strengthening communities, and improving health outcomes for all those we serve.

Billy Kirkpatrick, Ph.D.
Chief Executive Officer

FHHS AT A GLANCE

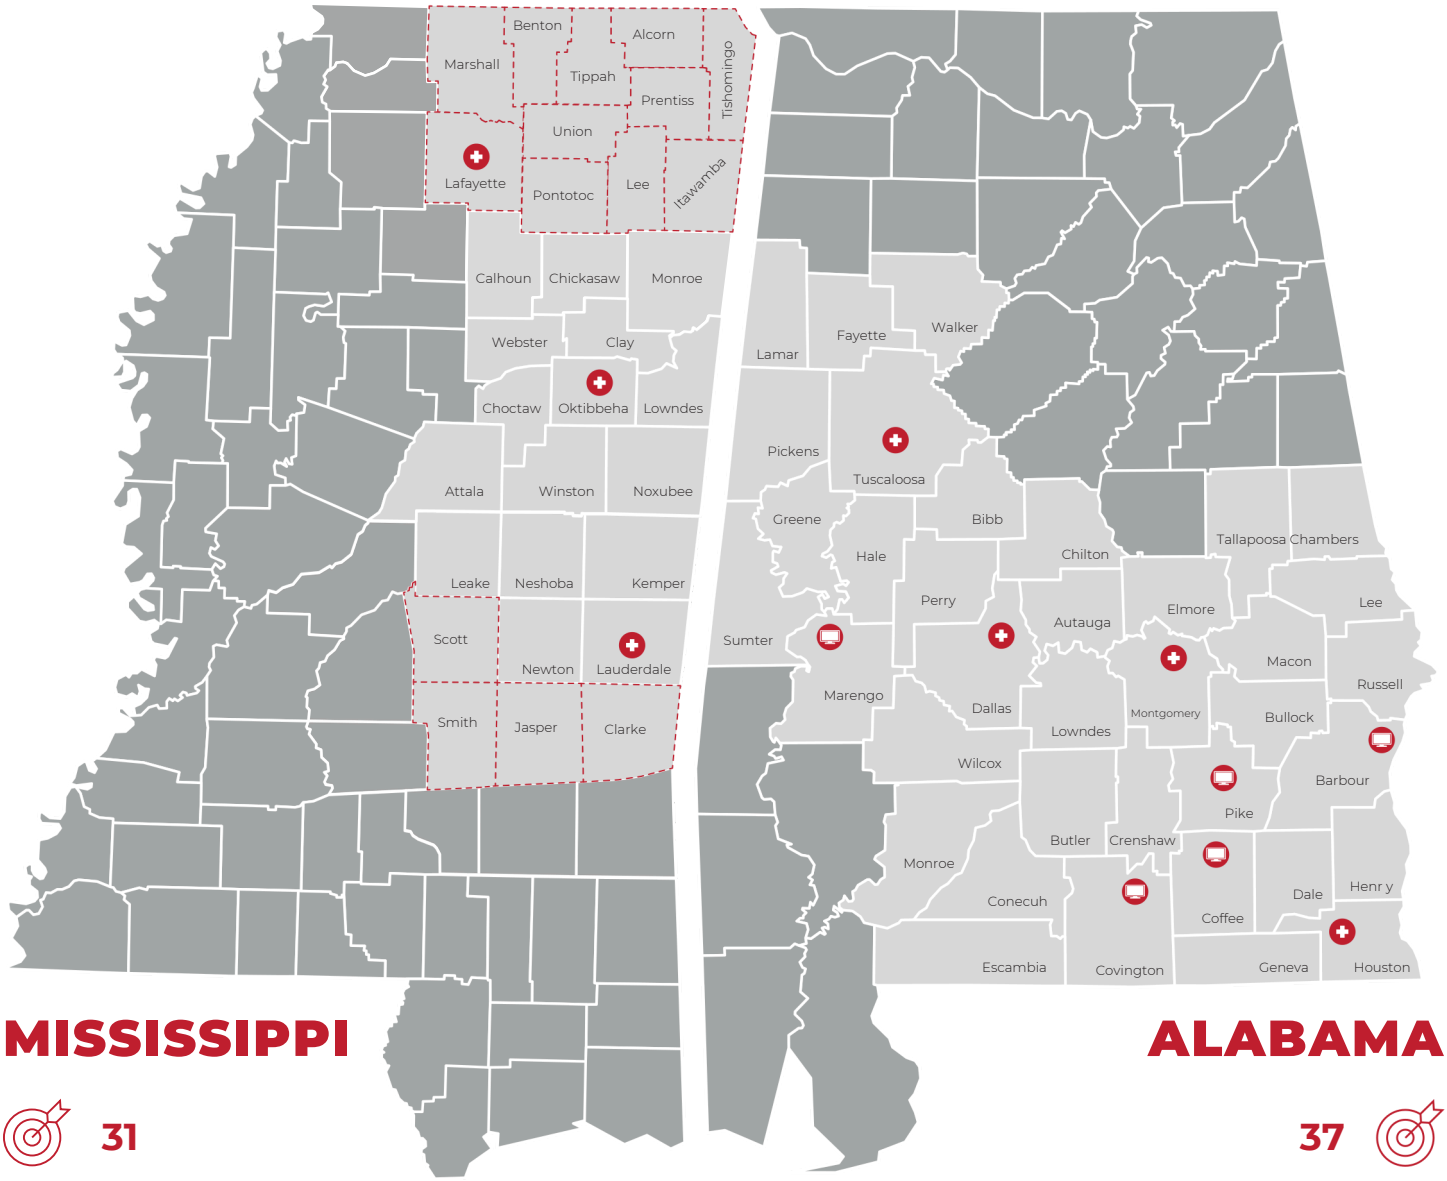

Five Horizons Health Services (FHHS) is a nonprofit community-based organization, headquartered in Tuscaloosa, Alabama, that provides services from the Alabama Wiregrass, through the Alabama Blackbelt, and across East Mississippi. FHHS strives to promote a healthy, compassionate, and educated community through our five pillars: Medical Care, Prevention Education, Supportive Services, Advocacy, and Research. With a team of highly-qualified staff, a diverse board of directors, and community partners, Five Horizons is positioned to effectively and efficiently meet the needs of the citizens we serve.

AGENCY EXPANSION

In 2025, our agency made significant strides in expanding access to care and strengthening our community presence. We opened two new clinic locations in Meridian and Oxford, Mississippi, allowing us to reach more individuals with essential healthcare, prevention, and support services. Additionally, we celebrated the Re-Grand Opening of our Dothan, Alabama location, which now includes an Avita Pharmacy expansion to provide more integrated, patient-centered care.

To further extend our reach, we also purchased and branded a mobile unit dedicated to pop-up or “pull-up” testing. This investment allows us to meet individuals where they are, reduce barriers to care, and increase access to testing and education in underserved and high-need areas. Together, these efforts reflect our ongoing commitment to growth, innovation, and improving health outcomes across the communities we serve.

AGENCY HIGHLIGHT

World AIDS Day Gala

Five Horizons Health Services hosted the World AIDS Day Gala in Montgomery, AL, in partnership with ViiV Healthcare and Gilead. This elegant black-tie event brought together community leaders, advocates, and supporters to raise awareness, promote education, and strengthen the fight against HIV/AIDS.

The evening featured inspiring speeches, meaningful discussions on HIV prevention and treatment, and a shared commitment to fostering a future free of stigma and barriers to care. Guests enjoyed a night of fine dining, networking, and philanthropy, all in support of Five Horizons' mission to provide compassionate healthcare and outreach services.

With strong attendance and generous support from sponsors and attendees, the World AIDS Day Gala reinforced the organization's dedication to advocacy and community care, ensuring continued progress in HIV awareness and prevention efforts.
